## FAQ's:

### Do you offer any discounts?

Yes, we offer a 15% discount on multiple classes. In addition, we offer a 50% discount on a sibling's tuition if they are taking a concurrent class. Finally, we offer a 5% discount if you pay your tuition plan in full at time of registration.

### What if I need to end my enrollment early?

If you need to end your enrollment early we will charge a \$99 early termination fee (waived if you move more than 25 miles from a Romp n' Roll location).

### What if I want to change classes?

No problem! You can change classes at any time. (If you switch from a 45 minute class to a 60 minute class or vice versa, your tuition will be adjusted accordingly).

### What will happen if your new schedule doesn't meet my availability?

With this structure, our class schedule will change infrequently so you will have plenty of time to find a class that works or notify us that you need to end your enrollment.

### Do I have to pay by credit card?

We prefer credit cards so the monthly tuition can be auto-charged. If you wish to pay by cash or check, you may do so as long as we receive payment on the agreed upon date. Late payments and/or returned checks are subject to a \$25 additional fee.

### How will this work with Summer Camp?

You may apply your monthly tuition as a credit to summer camp enrollment in the summer months. In addition, annual members will receive a 10% discount on their camp balance if you register for at least 5 weeks of camp.

### Can I freeze my membership?

6 month members may freeze for one month. 9 month and 12 month members may freeze for 2 months. The end date of the contract will be extended by the amount of time the membership is frozen.

### Anything else I need to know?

All make-ups, open gym admission and guest passes, and program discounts are valid while you are actively enrolled. Tumble Tunes registrations will have a \$15 surcharge for a music CD. Oh yeah, and Rompy wants to see you soon!
